Re: Orlando Metropolitan Bridge Center, Inc. ("OMBC")  
Your Use of url: [www.bridgeinorlando.com](http://www.bridgeinorlando.com)

Dear Mr. Christman:

The undersigned attorney and the above-referenced law firm have the pleasure of representing Orlando Metropolitan Bridge Center, Inc. and its Board of Directors.

As you are likely aware, OMBC is an incorporated, not-for-profit business in the State of Florida. As such, it is required to make available to the general public certain information including, among other things, its Articles of Incorporation and Bylaws.

Respectfully, you have been utilizing the url: [www.bridgeinorlando.com](http://www.bridgeinorlando.com). When one clicks on this link, it immediately brings up the official logo of the Orlando Metropolitan Bridge Center. Your use of this url in this fashion is misleading to the public as the public rationally believes this is the official public website for my client and that all postings on this website are the current official records of my client.

Please accept this letter as our request for you to immediately cease and desist from utilizing this url or utilizing it in any way such that the public could believe this is an official website of my client.

Respectfully, you are not on the Board of Directors of OMBC. Even if you have disagreements with the Board of Directors at OMBC and honestly wish to effectuate policy changes by that Board, such cannot be accomplished through the use of this url in this manner.

Again, please cease and desist immediately. If you have questions, please do not hesitate to contact the undersigned. Your failure to comply with this cease and desist demand will unfortunately result in legal action against you and/or the "For the Players Committee."

Kindest regards,

Very truly yours,
