Re: Orlando Metropolitan Bridge Center, Inc. ("OMBC")  
Your Use of url: [www.bridgeinorlando.com](http://www.bridgeinorlando.com)

Dear Mr. Christman:

In response to our letter to you dated June 24, 2015, we are grateful that there has been some sanitation of your content at the url <http://www.bridgeinorlando.com/4players.htm>. We notice specifically you have removed the logo for our client Orlando Metropolitan Bridge Center.

We would also note, respectfully, that your website continues to contain outdated documentation of Orlando Metropolitan Bridge Center.

As this url is not the official web address for my client, and as, respectfully, The Players Committee has no legal standing to be posting anything on behalf of OMBC, please immediately remove links to the Articles of Incorporation, to the lease with the City of Orlando, to the OMBC debenture notes, to the Facility Use Agreement, to the Board of Directors, to the Annual Financial Report for 2010 and to the OMBC Tax Return for 2009.

We are also respectfully requesting that you add a disclaimer to this website specifically informing the public that this is not the official website for OMBC and that The Players Committee does not in any way act as agent(s) of or for OMBC so to reduce any confusion of the public in this regard.

Please confirm your compliance and thank you.

Very truly yours,

*Jon Marshall Oden*
